

# Cake Questionnaire

---

What is the date of the event?

What time is the event?

Where is the event? Delivery Yes or No?

Is the event outdoors?

How many servings are needed?

What are the colors?

How many tiers?

What is the design? Is it for a birthday? A wedding? What type of event is it?

# Cake Questionnaire

What is the flavor of the cake?

What is the flavor of the filling?

What is the flavor of the icing?

If this is a wedding cake, will the client provide the topper? If so, what is the size of the topper? Is the topper heavy? Do they have a specific cake base they want to use?

If this is a wedding cake, do the bride and groom want to keep the top tier and freeze it for an anniversary cake? (If so, that tier cannot be counted in the serving quantity.)

Will fresh flowers be added to the cake? If so, what is the contact information for the florist? Does this particular florist prefer to add the flowers, or will they leave fresh flowers for the cake decorator to add?
